Dear Mr. Tan

RE: Mandate Letter for our collaboration with LAW to distribute food to our locals via Penang Community Care.

I, Wendy Ang BK of Legal Representative of Pertubuhan Kebajikan Komuniti Cakna Pulau Pinang (PPM-020-07-02052017) also known as Penang Community Care (PgCC), confirm that we shall collaborate with LAW /Fund Raising project for Food Bank in Malaysia by distributing food via PgCC to locals needing food from the donation provided. We shall provide photos of our voluntary works to LAW/Fund Raising for Food Bank on a regular basis so that you can use for uploading on your website specifically for this project. (Note: All pictures to be used will have to protect the identities of our beneficiaries, especially children below the age of seven as according to our child protection act.)

I can confirm that the donation provided is only to purchase supplies for PgCC's beneficiaries.

I would like to take this opportunity to thank LAW for supporting us in our cause of helping the underprivileged.

I have no objections to your organization publishing this mandate letter.

Yours faithfully,
